GET EXCITED!!

The Woodstock Professional & Business Women are proud to reinvent the Men's Fashion Show of years past with a lineup of local business & professional men. The models are distinctly provided with an ALL WOODSTOCK service & retailer showcase of Fall '25 fashion & accessories. This unique presentation is sure to inspire your own sense of what's new and to entertain you with the good humor & fun of our fascinating good sports!

All funds benefit our Frances Kuhn Scholarship winners - women in the District 200 area, who have expressed a desire to return to school in order to begin or to further their careers in the business or professional fields!
