Artist's Application for the Autumn Art Tour

The Woodstock Professional and Business Women (WPBW) are now accepting applications from artists to showcase and sell their art at the WPBW Autumn Art Tour September 6th, 2025. **This event is a fundraiser** for Woodstock Professional and Business Women, a not for profit, philanthropic organization that offers scholarships to local District 200 women and annually recognizes a Woman of the Year whose contributions and efforts both personally and professionally have made a significant, positive impact on the Woodstock community and beyond. The \$500.00 Angela Burden Award is donated to the Woman of the Year's charity of choice. Past recipients have been Turning Point, CASA, Home of the Sparrow, the Land Conservancy of McHenry County, Operation Wild Horse and most recently the D200 Education Foundation.

The goal of the art tour is to showcase the **exceptional art and fine crafts** produced in the region. The self-guided Art Tour will feature work from artists throughout Woodstock and the surrounding areas. Visitors may view and purchase a wide range of original work by local artists who appreciate the opportunity to share how, why, and where their art is created.

WPBW will provide: advertising (online & print), signage, and a tour map. Your website will be linked on the WPBW.org website, we ask that you link to WPBW on your websites & promote the event as well. **An ARTIST MEET AND GREET will be held Sunday June 1st from 2-4pm on the patio at Ortmann's Red Iron Tavern - 101 E Church St, Woodstock...
